A charming, light filled, one bedroom flat on the top floor of this pretty Victorian building. Offering far more space than the average one bedroom conversion, this flat is a delightful combination of contemporary practicality and period proportions. It is split levelled, and has windows to two aspects enhancing the flow of natural light throughout. From the reception room window there is a wonderful view across the communal garden to the Thames – a fantastic vantage point from which to reflect. The apartment is very well-presented with a clean, stylish décor and is moments away from Hampton Wick station, the shops of the village and a short trip across the bridge to Kingston. Bushy Park is also close by. A brilliant combination of peaceful riverside living and vibey excitement – close to the heart of the action but far from the ordinary, viewings are highly recommended.
