

RIVERHOMES

RENTING A RIVERHOME (AST ONLY)

Once you have decided on your perfect RiverHome, RiverHomes will require the following. It is important that you know your legal rights and accordingly you should feel free to seek independent legal advice before signing any document which we might put before you:

Holding Deposit:

RiverHomes requires a holding deposit equivalent to one week's rent for the property you are interested in, to be paid in cleared funds to secure a property off the market immediately. RiverHomes will cease marketing and cease showing any prospective tenants as soon as one week's holding deposit is paid. Once we have your holding deposit, current legislation stipulates that the necessary paperwork should be completed within 15 days or such longer period as might be agreed.

If at any time, you decide not to proceed with the Tenancy, then your holding deposit will be retained by us. By the same token, if during that period you unreasonably delay in responding to any reasonable request made by us, or if it turns out that you have provided us with false or misleading information as part of your Tenancy application or if you fail any of the checks which the Landlord is required to undertake under the Immigration Act 2014, then your holding deposit will not be returned, it will be retained by us.

However, if the Landlord decides not to offer you a Tenancy for reasons unconnected with the above then your holding deposit will be refunded within 7 days.

Should you be offered and you accept a Tenancy with our Landlord, then your holding deposit will be credited to the first month's rent due under that Tenancy.

Where, for whatever reason, your holding deposit is neither refunded nor credited against any rental liability, you will be provided with written reasons for your holding deposit not being repaid within 7 days.

You will not be asked to pay any fees or charges in connection with your application for a Tenancy. However, if your application is successful under our standard assured shorthold Tenancy agreement, you will be required to pay certain fees for any breach of that Tenancy agreement in line with the Tenant Fees Act 2019. In consideration of us processing your Tenant application, you agree to pay those fees to us on request.
