

Nine Elms Pier Nine Elms SW11

A fantastic opportunity to purchase this Humber keel barge measuring 60ft x 15ft moored at Nine Elms Pier located in the heart of Nine Elms very close to Battersea Power Station and the American Embassy. Accommodation comprises; large living/dining room, kitchen, two bedrooms and a family bathroom. Above is a large open plan deck area and a ramp down to the pontoon.

Nine Elms Pier has a great community and the pier itself is often used by the residents for social events - there is also an area (including a swimming pool) for relaxing and sunbathing. This unique houseboat offers a different way of living in a vibrant and exciting part of London.

There are numerous restaurants, bars and shops in the vicinity and there are many transport options available including Vauxhall underground Station, Queenstown Road and Battersea Park over ground station.

Mooring and maintenance charges are currently £8,700 approx. A parking space is available for £1,200 per year approx... Viewing is highly recommended to truly appreciate this houseboat. No onward chain.
