RIVERHOMES

Clove Hitch Quay London SW11 3TN

into a unique home. This houseboat has been completely refurbished to the highest standards of design and finish. Entering the vessel, there is a large, decked area with a steel roof, incorporating the original rolled steel cargo hold cover. The terrace/deck area is beneath this section of the roof, which rises on scissor-lift style hydraulic arms. This creates the perfect space for entertaining and enjoying the river views, whatever the weather. The internal fit out has been carried out with a top quality aesthetic applied from the start throughout. There is a large living space filled with light. This area is currently configured as a spacious study, living room and dining room. The galley style kitchen is fully fitted out with high end domestic has 24-hour concierge service. On the south bank of the Thames, appliances by Bosch, Miele and Liebherr. There are also hotplates, induction hob, dishwasher, washing machine and dryer, fridge, freezer, restaurants, and bars of Battersea Square. Clapham Junction is less wine cooler, extractor fan and sink. The vessel has 4 bedrooms, three than half a mile away with direct National Rail trains into Victoria, of which have en suite facilities with an additional separate WC. The wheelhouse has traditional wooden framed windows and all the

At 39 m. long, 5.04 m. wide, this Peniche barge has been transformed navigational gear for cruising. In addition, there is also the luxury of a jacuzzi on the deck in which to relax and unwind. The vessel is fitted with integrated audio-visual entertainment systems, high end lighting, dimmable wall switches and electrical outlets by Legrand. The windows are predominantly large bronze-framed ships portholes with glazing and stamped with a declaration of ISO 614 conformity. Heating is via 'Acova' enamel finished and refurbished sectional vintage wet radiators. Hot water is supplied by an Atlantic 'Cynthia' oil fired boiler in the engine room. The main engine is a fully marinized Baudouin of Marseille, f=France, Type 6R120 six-cylinder diesel. Located at Plantation Wharf on a residential mooring, Plantation Wharf between Battersea and Wandsworth bridges, it's close to the shops, Waterloo, and Gatwick airport.
