Lattimer Place Chiswick W4

Located at the end of a quiet-cul-de-sac with panoramic 180 degree views of the River Thames, sits this impeccably refurbished and extended three bedroom, four bathroom, unique end-of-terrace home. Upon entering the property through the marble effect clad hallway there is a laundry/ shower room, and a bespoke Poggenpohl kitchen with four Gaggenau ovens, a powerful industrial extractor fan, double sinks, and a breakfast bar. The kitchen also benefits from separate Gaggenau refrigerator and freezer, bean-to-cup coffee machine, wine cooler, and

integrated surround sound speaker system. The extension to the ground floor has been built with a solid steel construction, which could bear the weight of another level STPP. The first floor consists of a double bedroom with double aspect windows and a balcony overlooking the river; a modern marble family bathroom; and a large double aspect sitting room with a further balcony. On the top floor there are two double bedrooms, one with Juliette balcony, en suite shower rooms and ample built-in storage. Every room in the house, save the bathrooms, has river views!
